

Career and Placement Cell Reports 2018-19

The main goals of the college's Career and Placement Cell are twofold. Firstly, they assist students in making informed career decisions through counselling and guidance. Secondly, the cell focuses on enhancing students' employability by conducting workshops to develop crucial skills. Moreover, they actively facilitate connections between students and potential employers by organizing events such as job fairs and recruitment drives. Additionally, the cell plays a key role in helping students secure relevant internships. Continuous improvement is prioritized as they gather feedback from students and employers to refine their services. Ultimately, the overarching objective is to ensure a seamless transition from college to a successful career by providing essential support and valuable networking opportunities.

Civil service Training Programme

The IAS (Indian Administrative Service) training workshop was conducted at SSV College. The one-day workshop aimed to provide valuable insights and guidance to 122 students from various departments of SSV College who aspired to pursue a career in the prestigious Indian Administrative Service. The training covered essential aspects of the IAS examination, focusing on effective strategies, syllabus coverage, and success-oriented approaches.

"Career Expedition: Exploring Opportunities and Possibilities"

The "Career Expedition: Exploring Opportunities and Possibilities" seminar was a highly anticipated event organized by the Career and Placement Cell 15 of SSV College on 20th February 2019. The objective of the seminar was to provide students with insights into various career opportunities beyond their academic disciplines, encourage interdisciplinary thinking, and foster connections with industry experts. The seminar aimed to empower students to make informed decisions about their future careers and equip them with essential skills for professional success. The seminar included interactive workshops that focused on skill development, resume building and interview preparation.

Career orientation and pooled campus placement

The Career Orientation and Pooled Campus Placement Drive event held on 26th February 2019 from 10 AM to 4 PM at Adwaitha Hall, organized by the Career Guidance and Placement Cell and coordinated by Sreelakshmi A R, in association with Infiniz IT Solution, aimed to provide students from various departments with 18 the essential knowledge and skills required for making informed career choices and successfully transitioning into the workforce. This event was a pivotal platform for students to gain insights into career development, explore employment opportunities, and receive guidance on resume building, interview preparation, and soft skills development. 11 students were placed in various companies.
