

Preface

At Sree Sankara Vidyapeetom College, we embrace a culture of continual improvement and progress. Our commitment to providing an exemplary educational experience extends beyond conventional norms. We believe that actively listening to our stakeholders - students, faculty, parents, alumni, and employers - is fundamental to our journey towards excellence.

This Action Taken Report for the academic year 2019-2020 serves as a testament to our unwavering dedication to not just listen, but to act upon the invaluable feedback received from our esteemed stakeholders. Their insights and suggestions have been the catalysts driving the strategic initiatives undertaken by our institution.

We embarked on a purposeful journey, driven by the constructive feedback from our diverse community. Each suggestion, concern, and recommendation was carefully analysed, leading us to forge ahead with a series of proactive measures aimed at enhancing our educational ecosystem.

The initiatives outlined in this report signify our earnest efforts to address the voiced needs and concerns of our stakeholders. From bolstering connectivity infrastructure to fostering a research-centric environment, empowering through skill development initiatives, and fortifying our ties with industry partners, every step has been taken with the sole intent of creating an enriching and inclusive educational landscape.

We express our deepest gratitude to our stakeholders for their invaluable contributions. Your feedback has not only shaped this report but has been pivotal in charting the course towards progressive change. As we reflect on the past year's actions, we reaffirm our commitment to embracing feedback as a guiding beacon in our continuous pursuit of excellence.

This report is a testament to our shared dedication, a testimony to our collective endeavour, and a testament to our unwavering commitment to creating an educational institution that empowers, inspires, and transforms.

Action Taken Report for Stakeholder Feedback 2019-2020

At Sree Sankara Vidyapeetom College, we've actively engaged with our stakeholders and promptly addressed their valuable feedback to enhance our educational environment. Here are the strategic initiatives undertaken based on their insightful inputs:

Revamping Connectivity for Enhanced Learning

- Upgrading the campus network infrastructure to fibre connectivity, establishing direct department connections, and integrating a standby internet connection for the examination control room to ensure uninterrupted learning experiences.

Enriching Learning Resources

- Allocating Professional Development funds to procure updated books and magazines aligned with the revised curriculum. Additional funding requests have been initiated to expand these resources further.

Empowering Through Training

- Organising a series of Faculty Development Programmes (FDPs) and ICT training sessions. These initiatives aim to equip both staff and students with essential skills to effectively leverage online teaching and learning methodologies.

Empathy in Action

- Collaborating with alumni to provide smartphones to students in need. A comprehensive survey was conducted to assess the availability of ICT resources among students, ensuring a more inclusive learning environment.

Fostering Research and Academic Growth

- Implementing measures to enhance the research ecosystem by conducting frequent seminars, webinars, and improving library facilities. Three faculty members have been appointed as Research Guides under Mahatma Gandhi University, further amplifying our commitment to scholarly pursuits.

Strengthening Industry Partnerships

- Strengthening collaborations with industries through Memorandums of Understanding (MoUs), enhancing avenues for practical exposure and industry-relevant learning experiences for our students. Several departments are in the final stages of signing new MoUs.

Skill Development Initiatives

- Establishment of a Skill Training Centre supported by ASAP, providing foundational courses to students, enhancing their employability prospects and practical skills.

Embracing Innovation

- Establishment of the MHRD Innovation Council on campus to prepare our students for current and future challenges, fostering an environment of creativity and innovation.

These concerted efforts stand as a testament to our commitment to providing an enriching and inclusive educational experience. We deeply appreciate the valuable feedback received from our stakeholders, which has been instrumental in shaping these progressive initiatives. We have taken several new ICT initiatives to serve our stakeholders during this pandemic.
