

Preface

Sree Sankara Vidyapeetom College cherishes the valuable insights and recommendations shared by our esteemed stakeholders - students, faculty, parents, alumni, and employers during the academic year 2020-2021. This report encapsulates the proactive measures undertaken in direct response to their invaluable feedback, ensuring continuous enhancement of our educational endeavors.

We express our deepest gratitude to our stakeholders for their invaluable contributions. Your feedback has not only shaped this report but has been pivotal in charting the course towards progressive change. As we reflect on the past year's actions, we reaffirm our commitment to embracing feedback as a guiding beacon in our continuous pursuit of excellence.

Dr. Manusankar C
IQAC Coordinator

Sincerely,

Dr. Padma P
Principal in charge

Action Taken Report 2020 - 2021

Focused Seminars and Workshops:

The IQAC organized comprehensive seminars and workshops aligned with the National Education Policy 2020. These sessions aimed to address forthcoming needs within the educational sector, ensuring a proactive approach towards anticipated changes.

Establishment of IEDC:

In partnership with the Kerala Startup Mission, an Innovation and Entrepreneurship Development Cell (IEDC) was established within the campus. This initiative was undertaken to invigorate and foster a thriving startup culture, empowering aspiring entrepreneurs within the college community.

ICT Upgradation Initiatives:

In response to the challenging pandemic circumstances, the institution undertook periodic ICT upgradation activities. These endeavors were designed to equip both faculty and students with enhanced digital tools, ensuring an uninterrupted learning experience.

Induction Programme Enhancement:

A comprehensive induction programme was designed and executed to familiarize students with campus facilities and available courses. This initiative aimed to facilitate a smoother transition and greater awareness among students.

Faculty Development with STRIDE FDPs:

To further the faculty's pedagogical skills and adaptation to outcome-based education, the institution actively availed the STRIDE Faculty Development Programmes provided by the MG University.

Enhanced Value-Added Programmes:

Departments were directed to augment the number of value-added programmes available to students. This step aimed to provide additional learning avenues beyond the curriculum, fostering holistic education.

Regular Online PTA Meetings:

Online Parent-Teacher Association (PTA) meetings were conducted regularly, ensuring parents stayed updated and involved in the support provided to students during the challenging times.

These initiatives underscore our commitment to embracing feedback as the driving force behind our proactive measures. Each action undertaken reflects our dedication to adapting, innovating, and striving for excellence, in line with the collective aspirations of our stakeholders.
