Background

The S S V College was established in 1967. College is preparing students for graduating in different science, commerce and arts categories and apart from giving the students a strong footing on these subject areas college is engaged in instilling employable skill sets and other motivational, career development oriented skills to students in the course of their three years of under graduation. So in order to extend this skill set enhancement task SSV College is entering into a MoU with Versatile Systems which will be helpful in giving exposure to SSV students in their above mentioned skill set enhancement efforts.

Purpose

This MoU will

- Provide Hands-on-Training for the students in computer assembling and maintenance.
- Make the students aware about the industrial standards.
- Helps the students to enhance their employability.

Reporting

The effectiveness of the MoU will be evaluated by both the institutions and measures will be taken to improve the effectiveness if needed.

Funding

No Commitment of Fund is involved in this MoU.

Duration

This MoU is at-will and may be modified by mutual consent of authorized officials from, SSV College and Versatile Systems. This MoU shall become effective upon signature by the authorized officials from SSV College and Versatile Systems, and will remain in effect until modified or

terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from S S V College and Versatile Systems, this MOU shall end.
